

St Joseph's School Our Vision

**St Joseph's Brunswick West is a Catholic parish primary school
founded on a century of care and excellence.**

**As members of the people of God, we base our lives on the life and teachings
of Christ and are also guided by the faith and service of
Mary MacKillop and the Sisters of St Joseph,
*'to never see a need without doing something about it'***

**Our commitment to quality, contemporary education nurtures a passion for
learning where all are respected and valued.**

We aim to develop active global citizens with the skills for the 21st century.

**We encourage our school values of responsibility, empathy, honesty
and respect in our relationships.**

**We recognise the important role that the parish, families and the wider
community play in enriching our learning. In our partnerships we welcome
and celebrate diversity, creativity, courage and compassion.**

**ST JOSEPH'S - UNITED IN FRIENDSHIP,
FAITH AND A LOVE OF LEARNING**
